

Open Source: From a revolutionary idea to mainstream

UNISALENTO | July 2023

Seminario in presenza in collaborazione con il centro I-STORE
Campus Universitario Ecotekne, Lecce
Aula Fermi, ed. "Aldo Romano"
Venerdì 14 luglio

This Seminar will give a comprehensive overview of open source and its journey from a revolutionary idea to becoming mainstream. We will cover aspects such as licenses, governance, best practices, success stories and the role of open source foundations. We will also discuss why and how to get involved in open source. In an interactive session we will discuss business models based on open source.

9:15 - Institutional greetings – Prof. Patrono Luigi,

Pro-vice chancellor for Digital Technologies and I-STORE Center Coordinator.
